Dear Parent/Carer

Parent Governor Vacancy

I am writing to inform you that there is an opportunity for a parent to join the Governing Body and are inviting parents to put themselves forward. The Governing Board are particularly seeking any parents who have knowledge and experience in HR and Finance.

As a parent/carer of a child at the school you are entitled to apply and vote in any election. A nomination slip is attached. If you wish to apply you should complete the slip and return it to the Clerk to the Governors (by emailing info@guiseleyschool.org.uk) by 12.00pm on Sunday 16th February. Please note that you are not eligible to be a parent governor if you work at the school for more than 500 hours or if you are an elected member of the local authority. You are also not eligible to be a governor if you fulfil any of the disqualification criteria listed on the eligibility form.

If there is only one candidate with the required knowledge and experience, then that person will automatically be declared as a governor. If there are more applicants, then an election will be held. For this purpose, applicants need to prepare a short statement to be circulated with the information regarding the election. Space for this is included below the application slip. The deadline for the completed statement, once nominations are collected, will be Friday 21st February 2025.

The Role of the Governing Board

The school's governing board is responsible for providing confident and strategic leadership, and creating robust accountability, oversight and assurance for the school's educational and financial performance. The board is passionate about education and committed to continuous school improvement.

To be a Parent Governor you should have:

1. A strong commitment to the role and to improving outcomes for children
2. Good inter-personal skills, curiosity, and a willingness to learn and develop new skills
3. The specific skills required to ensure the governing board delivers effective governance

Expectations of Governors

Governors attend a Full Governing Body meeting at the start of the year, each term. They also commit to attending one or more of the three committee meetings held half termly. Governors also act as link governors for specific roles within the school, for example, safeguarding, admissions, pupil premium, subject areas.

Leeds City Council's Governor Support Services offer training and support for Governors so no parent/carer should feel deterred from putting themselves forward as a school governor. If you would like more information before deciding whether to stand either contact the Headteacher via info@guiseleyschool.org.uk. Parent governors serve a four-year term of office irrespective of whether their child leaves the school during the term of office.

We encourage all parents to give some serious thought to standing as a parent governor and helping us continue on our journey towards the provision of an outstanding education setting for our young people.

Yours sincerely

Paul Clayton
