Dear Parent/Carer

**PROTECTING YOUR CHILD AGAINST SERIOUS DISEASES**

In **Year 9** your child is being offered two vaccinations. These are the Meningitis ACWY vaccine which helps to protect against **Meningitis** and **Septicaemia**, and the DTP (teenage booster) which helps to protect against **Diphtheria, Tetanus and Polio**. Your child may also be offered the MMR vaccine to protect against **Measles, Mumps and Rubella** if they did not receive it when they were younger.

**How to give consent?**

Please complete the online consent form **AS SOON AS POSSIBLE** as instructed below.

- Go to this website below or click on the following link <https://www.leedsimmunisations.co.uk> . This will take you to the online consent form.
- Choose and click on the **Year 9 DTP (Teenage Booster) consent form**.
- Enter a unique school code for your child's school.

The code for Guiseley School is **EE108085** (please ensure you enter all letters and numbers).

**Please note** - Even if you **do not wish your child** to receive the vaccination(s), it is important to complete the "refusal section" of the consent form so we are aware of your wishes.

Your child will bring a confirmation slip home when they have received their immunisation(s)

For further information about these vaccinations go to the [www.gov.uk](http://www.gov.uk) website and search "immunisations for young people" or click [here](#)

If you experience any problems accessing the form, please telephone the School Immunisation Team on 0113 8433101 to speak to one of our staff who will be happy to help.

Yours sincerely

Emma Williams – Lead Nurse
