08 March 2019

Dear Parents / Carers

I am delighted to be able to inform parents and carers that as of the 1st March, Guiseley School has joined the Red Kite Alliance. The Red Kite Alliance is a partnership of Yorkshire schools and institutions that have come together to share skills, experience, talent and capacity to help improve the learning and achievement of their students.

Over the coming months we will be working alongside colleagues from the Alliance to further support the implementation of strategies and projects that strengthen the quality of education that we are providing for our young people.

This is a partnership that is very exciting for the school at a time where we continue to develop our vision, curriculum and accommodation. We are very much looking forward to developing this collaborative work alongside our existing partnership as a member of the Aireborough Learning Partnership Trust.

Further information concerning the schools vision, aims and core values will be communicated with parents later this week. For those who wish to read more about the Red Kite Alliance, please visit their website at <https://www.redkitealliance.co.uk/our-alliance/>.

Yours sincerely

Paul Clayton
