Dear Parent/Carer

RAG Week

As you may already know, every year Guiseley School's Sixth Form organise RAG week (raising and giving week), during which the Sixth Form run several different activities for other students in the school to participate in, in order to raise money for a chosen charity. This year our chosen charity is Mind, a charity who work towards improving support, advice, information and a greater understanding for people, particularly young people, who suffer from mental health issues.

RAG week will be held from Monday 9 March till Friday 13 March, throughout this week there will be activities which are timetabled below. One significant event within this week is 'Hire a Helper', in which Year 7, Year 8 and Year 9 students can donate to hire a group of Year 13 students to help them all day on Friday 15 March; sitting with them in lessons, helping them with their work and helping generally throughout the day, all whilst dressed in team costumes. It is advised that students get into groups, decide a limit for their bid and ensure each member of the group pays their share of the cost. All money must be paid at the auction.

Each year RAG week is a fun and enjoyable way of raising money for charity for everyone at Guiseley School with many teachers also getting involved and we hope that your child gets involved too.
