Dear Parent/Carer

Dropping off and collecting children

The dropping off and collecting of children in the streets immediately surrounding Guiseley School is causing significant concern to our neighbours. The increased volume of cars is having an impact on residents' ability to park their own vehicles and, on occasions, leave their own drives. Of even greater concern to us is the escalated risk to children on their commute to or from school because of this increased volume of traffic.

We strongly encourage students to use public transport and/or walk or cycle to school if possible. If parents/carers have to drive their children in, then please drop them off well away from Fieldhead Road and Fieldhead Drive, encouraging them to walk the last section of the journey. Staff will be on duty at each entry point to school to ensure appropriate supervision for children walking in to school.

Thank you for your consideration and co-operation.

Yours sincerely

Mr Paul Clayton
