Dear Parent/Carer

We look forward to welcoming your child into our Sixth Form in September.

The Sixth Form is quite different to KS4. Students have chosen to continue with their education at Guiseley School and it is expected that, having made that choice, they behave in a mature way and respond positively to the challenges that study at this level entails.

Alongside the academic study is the fun and enjoyment of Sixth Form; Charity events, school teams, music performances, school plays, field trips and work experience. All these activities are there, not only to enjoy but to develop social responsibility and give students opportunity to show their other talents. This is increasingly important in the competition for places at University, College and the world of work.

If you would like to know more about what happens in Sixth Form, please come to our Parents' Welcome Evening, on Tuesday 10 September 6.00pm until 7.00pm, in the main hall.

I look forward to meeting you and to another successful year for the students.

Yours sincerely
