

GUISELEY SCHOOL

19 March 2020

Dear Parent/Carer

Given the recent announcement by the Government that schools will be closed until further notice a number of students have been in contact to ask if they can come into school to collect their books from their lockers in order to complete their work.

In order to allow us to manage this process we will be allowing students in Year 8 to come into school between 10:05am and 10:35am (during period 1) on Friday 20 March in order to allow them to empty their lockers and collect musical instruments only. If students are self-isolating then they need to remain at home.

Could all students enter the school through the main entrance at the front of the school and sign in. They must then sign out when they leave the school premises.

Please can I ask that you remind your children of the need to wash their hands, when they arrive at school.

Yours sincerely

Steve Vasey
