

MODEL PAY POLICY FOR SCHOOLS 2017/18

Adopted on:	22 September 2017 (pending union ratification)
Last Reviewed on:	30 November 2017 (post union ratification)
Next Review Date:	Summer/Autumn term 2018
Governors' Committee:	Personnel and ratified by Full Governors
Responsible Officer:	Director of Administration and Finance

All school governing bodies should note that this policy has been agreed by the teacher trade unions on the condition that the wording in pink in the following sections should not be altered: 1.6.5 (pay portability), 1.6.6 (retaining MPS1-6), 1.7.1 (retaining UPS1-3), 2.2 (retaining UQ1-6). Please note it is best practice to consult with staff and Leeds union officers in the event of any changes to this model pay policy.

INTRODUCTION

The statutory pay arrangements for teachers give significant discretion to “relevant bodies” – normally governing bodies, but LAs in some instances – to make pay decisions. The School Teachers’ Pay and Conditions Document has since September 2004 placed a statutory duty on schools and LAs to have a pay policy in place which sets out the basis on which they determine teachers’ pay, and to establish procedures for determining appeals. This should ensure fair and equitable treatment for all teachers and minimise the prospect of disputes and legal challenge of pay decisions.

Schools and LAs, when taking pay decisions, must have regard both to their pay and appraisal policies and to the teacher’s particular post within the staffing structure. A copy of the staffing structure – revised as appropriate following any review of school staffing - should be attached to the pay policy, together with the implementation plan for bringing in changes.

The Governing Body must meet its duty to ensure the head teacher complies with the terms of the School Teachers’ Pay and Conditions Document both in respect of the employment of teaching staff and in the application of their own pay and benefits.

Maintained schools which do not implement the new system will be in breach of their legal duties.

All procedures for determining pay should be consistent with the principles of public life, including: objectivity, openness and accountability. The pay and performance management policy should make clear the school’s compliance with, [The Employment Relations Act 1999](#) , [The Employment Act 2002](#), [The Part-Time Workers \(Prevention of Less Favourable Treatment\) Regulations 2000](#), [The Employment Act 2002 \(Dispute Resolution\) Regulations](#), The [Fixed Term Employees \(Prevention of Less Favourable Treatment\) Regulations 2002](#) and [The Equality Act 2010](#)

From the DfE recent guidance: [Equalities considerations as part of the appraisal and pay determination process](#)

Heads and governing bodies will consult staff and unions on changes to their pay policy and review it at least annually, or when other changes occur to the School Teachers’ Pay and Conditions Document, to ensure that it reflects the latest legal position. The pay policy will comply with the current School Teachers’ Pay and Conditions Document (STPCD) and the accompanying statutory guidance. It will be used in conjunction with them, but, in the event of any inadvertent contradictions, the STPCD and guidance take precedence.

This model pay policy only covers school teachers, whose statutory pay and conditions of service fall under the terms of the STPCD. It does not cover support staff, who have their own pay determination mechanism.

In determining teacher pay levels in accordance with statutory pay and conditions of service under the terms of the STPCD, the Governing Body will also ensure these are set in accordance with the school’s staffing structure (a copy of which is appended to this policy at Annex 1).

The figures used are incorporating the pay increase as stipulated in STPCD 2017

1.0 POLICY ON SCHOOL TEACHERS' PAY

1.1 Basic Principles

All teachers employed at the school are paid in accordance with the statutory provisions of the School Teachers' Pay and Conditions Document (STPCD) as updated from time to time. A copy of the latest version may be found in the school office and is also on-line at

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/636389/School_teachers_pay_and_conditions_document_2017.pdf

Additional Guidance can be found at

<https://www.gov.uk/government/publications/reviewing-and-revising-school-teachers-pay>

All pay-related decisions are made taking full account of the school improvement plan and teachers and unions have been consulted on this policy.

The process for making decisions on the pay of teachers at the school is as follows.

At Guiseley School the decision on pay of teachers is delegated to the Personnel/Pay Committee of the governing body.

1.2 Pay Reviews

The governing body will ensure that every teacher's salary is reviewed with effect from **1 September and no later than 31 October** (except in the case of the head teacher, where it should be no later than 31 December) each year and give them a written statement setting out their salary, any other financial benefits and decisions following any review to which they are entitled. Reviews may take place at other times of the year to reflect any changes in circumstances or job description that lead to a change in the basis for calculating an individual's pay.

Where a pay determination leads or may lead to the start of a period of safeguarding (pay protection), the governing body will give the required notification as soon as possible and no later than one month after the date of the determination.

Pay determination of Leadership posts will be reviewed annually for those who have completed a full year of employment since the previous pay determination subject to paragraph 11 (STPCD)

1.3 The Pay Committee

The terms of reference for the pay/resources committee are as follows:

The Resources Committee (or equivalent) has fully delegated powers to determine the pay of all staff working in the school subject to the relevant statutory requirements.

The committee will ensure that all pay decisions are communicated to each member of staff by the head in writing. Decisions on the pay of the head will be communicated by the chair of the governing body in writing in accordance with the relevant section of the School Teachers' Pay and Conditions Document.

1.4 Equalities and Performance Related Pay

The governing body will ensure that its processes are open, transparent and fair. All decisions will be objectively justified. Adjustments will be made to take account of special circumstances, e.g. maternity or long term absence. The exact adjustments will be made on a case by case basis, depending on the individual teacher and the school's circumstances.

We recommend the Governing Body carry out an equality impact assessment to determine whether the structures agreed will affect some groups differently to others (see appendix 4). The intended outcome of the assessment is that it will reduce likelihood that it discriminates and that, where possible, it promotes equality and fairness.

1.5 Pay Appeals

A teacher may seek a review of any recommendation in relation to their pay.

The usual reasons for seeking a review of a pay determination are that the person or committee by whom the decision was made:

- a) incorrectly applied the school's pay policy
- b) incorrectly applied any provision of the STPCD;
- c) failed to have proper regard for statutory guidance;
- d) failed to take proper account of relevant evidence;
- e) took account of irrelevant or inaccurate evidence;
- f) was biased; or
- g) otherwise unlawfully discriminated against the teacher.

The above list is not exhaustive.

The order of proceedings is as follows:

Informal Stage

1. The teacher receives written confirmation of the pay recommendation and where applicable the basis on which the decision was made.
2. If the teacher is not satisfied, he/she should seek to resolve this by discussing the matter informally with the appraiser or Headteacher before the recommendation is actioned and a pay decision made.
3. Following formal pay determination if the teacher continues to be dissatisfied, he/she may follow a formal appeal process.

4. Formal Stage

The teacher should set down in writing the grounds for questioning the pay decision and send it to the person (or committee) who made the determination, within **ten working days** of the notification of the decision being appealed against or of the outcome of the discussion referred to above.

5. The committee or person who made the determination should provide a formal meeting, within ten working days of receipt of the written appeal, to consider the appeal and give the teacher an opportunity to make representations in person. Following the formal meeting the employee should be informed in writing of the decision and the right to appeal.

6. Appeal Stage

Any appeal should be heard by a panel of three governors who were not involved in the original determination, normally within **20 working days** of the receipt of the written appeal notification. The teacher will be given the opportunity to make representations in person. The decision of the appeal panel will be given in writing, and where the appeal is rejected will

include a note of the evidence considered and the reasons for the decision. This is the end of the Pay Appeal process and there is no further right of appeal.

At each stage of this procedure the teacher is entitled to be accompanied by a colleague or trade union representative. This includes both the hearing and the appeal hearing. Each step and action of this process must be taken without unreasonable delay. The timing and location of the formal Hearings must be reasonable. Appeals should be formally clerked and a note of proceedings should be produced.

1.6 Use of Discretion in Basic Pay Determination

1.6.1 Pay Range for Head Teachers

1.6.1.1

Headteachers appointed before 1st September 2016

The 2017 percentage increase will be applied.

There should be no other changes unless responsibilities have significantly changed in line with section 4.2 STPCD and an appropriate process has been carried out by pay committee to address this in line with the 3 stage process (summary document).

It will be for the governing body to determine in the light of a school's particular circumstances and context the extent to which any change should be regarded as 'significant'. In doing so, the governing body will want to pay particular attention to the extent to which the change creates new levels of accountability and responsibility for the leadership group member or members.

1.6.1.2

Pay on Appointment from 1st September 2016

This applies to those who are appointed to a Headteacher post on or after 1st September 2016. The 2017 percentage increase will be applied.

Overall leadership pay range has a minimum value of £69,330 and maximum of £99,081 based on group size of school - the Group size must be decided in accordance with paragraphs 5,6,7,8 (STPCD). This indicates the school is group size 7.

The school has decided the following 7 point Pay Range for Headteachers in line with benchmarking recommendations.

The Governing Body will retain a pay structure with reference points that mirrors the previous Leadership scale for the year 2017/18 and will review this as appropriate.

The pay committee will use reference points set out in appendix 5

Point	£
33	86,435
34	88,571
35	90,773
36	93,020
37	95,333
38	97,692
39	100,072

The relevant body has discretion to take account of the additional responsibility and accountability associated with the provision of extended services on their site as part of the local authority's local area plan when determining the Pay Range. Headteachers cannot be remunerated for running and managing a freestanding Childrens' Centre.

Where the school is part of a hard federation with a single governing body, remuneration should be based on the total number of pupil units across all school to give a group size for the federation. A 7 point range will then be determined within that group range.

In accordance with paragraphs 9.3, 10, 25, 26, 27 (STPCD) or in limited circumstances (school causing concern, substantial difficulties in recruiting or retaining a head teacher, or where the Headteacher is appointed as a temporary head of one or more additional schools) the relevant body has discretion to make additional payments to the Headteacher, the total of which will be between 1% and 25% of the Headteacher's pay point, and providing that in each case the Governing Body has not previously taken such reason into account when determining the Pay Range under an earlier School Teachers' Pay & Conditions Document.

1.6.2 Pay Range for Deputy Headteachers and Assistant Headteachers

1.6.2.1.

Deputy and Assistant Headteachers appointed before 1st September 2016

The 2017 pay increase will be applied. There should be no other changes unless schools choose to review leadership pay arrangements.

Head of School		Deputy Headteachers		Assistant Headteachers	
Point	£	Point	£	Point	£
23	67,652	16	57,077	11	50,476
24	69,330	17	58,387	12	51,639
25	71,053	18	59,857	13	52,930
26	72,810	19	61,341	14	54,250
27	74,615	20	62,863	15	55,600

1.6.3

Pay on Appointment from 1st September 2016

This applies to those who are appointed to a Deputy and Assistant Headteacher post on or after 1st September 2016.

The 2017 percentage increase will be applied.

This pay range for the Deputy or Assistant Headteacher should not overlap the Headteacher's pay range except in exceptional circumstances (9.4 STPCD) **at the discretion of the pay committee.**

The school has determined a **5** point Pay Range for deputies and assistant heads when they propose to make new appointments or where there is a significant change in the responsibilities of serving deputy or assistant heads.

Head of School		Associate Director of School Improvement		Deputy Headteachers		Assistant Headteachers		Associate Leadership	
Point	£	Point	£	Point	£	Point	£	Point	£
23	67,652	18	59,857	16	57,077	11	50,476	6	44,544
24	69,330	19	61,341	17	58,387	12	51,639	7	45,743
25	71,053	20	62,863	18	59,857	13	52,930	8	46,799
26	72,810	21	64,417	19	61,341	14	54,250	9	47,967
27	74,615	22	66,017	20	62,863	15	55,600	10	49,199

They may determine the pay range as of 1 September, at any time of the year to reflect any changes in the circumstances or job description that lead to a change in the basis for calculating their pay, or at any time if they consider it necessary to retain a Head of School, Assistant Director of School Improvement, Deputy or Assistant Head.

1.6.4 Pay Range for Leading Practitioner Posts

Leading Practitioner as detailed within paragraph 16 (STPCD 2017). Leading Practitioner role to include:

- An exemplar of teaching skills,
- Lead the improvement of teaching skills in their school and the wider school community which impact significantly on pupil progress,
- Improve the effectiveness of staff and colleagues, particularly in relation to specific areas such as **teaching and learning and assessment for learning**.
- Carry out the professional responsibilities of a teacher other than a head teacher, including those responsibilities delegated by the head teacher,
- Leadership role in developing, implementing, and evaluating policies and practice in their workplace that contribute to school improvement. This might include:
 - (a) coaching, mentoring and induction of teachers, including trainees and newly qualified teachers;
 - (b) disseminating materials and advising on practice, research and continuing professional development provision;
 - (c) assessment and impact evaluation, including through demonstration lessons and classroom observation;
 - (d) helping teachers who are experiencing difficulties.

They may also be required to take this role in other schools, or in relation to teachers from other schools.

The relevant body should determine the individual post range for leading practitioners, taking account that different teachers in the same school may be placed on different individual ranges, in line with paragraph 16 of the document.

Please note there is no external assessment of skill or competence required.

They may determine the pay range as of 1 September, at any time of the year to reflect any changes in the circumstances or job description that lead to a change in the basis for calculating their pay.

Leading practitioner pay range has minimum value **£39374** and a maximum value **£59857**
Exact Increments will be decided dependent on the role.

Guiseley School does not have any Leading practitioner positions in the staffing structure.

1.6.5 Pay on appointment for Classroom teachers

Main scale pay range has minimum value **£22917** and a maximum value **£33824**.

Pay on appointment will have due regard to:

- The requirements of the post
- Any specialist knowledge required for the post
- The experience required to undertake the specific duties of the post
- The wider school context
- Relevant experience from overseas

The Governing Body will consider use of recruitment and retention payments to secure the candidate of choice (see paragraph 27).

Please note that whilst there is no longer automatic portability from school to school with regards to pay point the Governing Body will honour portability from school to school with regard to pay point. This means the school will not restrict the pay available for appointees to vacant classroom teacher posts other than the lower limit of the MPR and the upper limit of the UPR.

1.6.6 Existing main scale teachers 1st September 2017

The Governing Body will retain a pay structure with 6 points that mirrors the existing MPS range for the year 2017/18 and will review this as appropriate.

The pay committee will use reference points set out below, which reflect a 2% increase across all points:

:

MPS1	£22,917
MPS2	£24,728
MPS3	£26,716
MPS4	£28,772
MPS5	£31,039
MPS6	£33,824

Annual pay progression is based on successful performance management. The pay committee will be advised by the Headteacher in making all such decisions and be able to justify them.

Teachers will need to demonstrate good progress towards performance management objectives and have shown competence in all elements of Teachers' Standards. Reviews will be deemed successful unless significant concerns about standards of performance, which may affect pay progression, have been raised and recorded with the teacher during the formal annual performance management/appraisal cycle and have not been sufficiently addressed by the conclusion of that process. If following a review the decision is made to withhold a pay point and/or enter capability procedure then this should be confirmed in writing.

Where exceptional performance has been evidenced the governing body may consider enhanced pay progression, up to a maximum of two reference points.

Teachers in their induction year will be awarded pay progression following successful completion of induction.

1.7.0 Threshold applications

From 1st September 2013 ANY qualified teacher can apply to be on Upper Pay scale. Schools will make individual decisions about pay should a teacher work in multiple schools.

The evidence needed to apply for threshold will be based on the appraisal process and consist of the following:

- Evidence to support they are working at upper pay scale level i.e. highly competent
- Evidence to show achievements and contribution are substantial and sustained (as per definitions below)
- Evidence to support wider school contribution
- Evidence from recent appraisals (usually 2 consecutive successful ones)

For our school the process for applying to go through Threshold will make reference to the above criteria and consist of the following:

Completion of Blue Sky with their Line Manager, evidence to be supplied based on current Teacher standards, judgement to be reached by the recommendation of the Headteacher to the governors' pay committee and a decision to be made to the applicant within 35 working days of the application.

Teachers may apply to be on the Upper Pay scale even if this represents an increment of more than two points on the pay scale. In the case of their application being unsuccessful they may be considered for enhanced pay progression up to a maximum of two reference points.

1.7.1 Existing Upper pay scale teachers 1st September 2017

Upper scale pay range has a minimum value **£35,927** and a maximum value **£38,633**.

The pay committee will use the reference points set out below:

UPS1	£35,927
UPS2	£37,258
UPS3	£38,633

Pay progression will be based on successful performance management. The pay committee will be advised by the Headteacher in making all such decisions and will be able to justify its decisions. Account will be taken of the provisions in paragraph 15 STPCD.

Teachers will need to demonstrate good progress towards performance management objectives and shown to be highly competent in all elements of Teachers' Standards.

The evidence will need to demonstrate that their achievements and contribution to the school have been substantial and sustained using the following definitions:

Highly competent – performance is assessed as having excellent depth and breadth of knowledge, skill and understanding of the Teachers' standards.

Substantial – achievements and contribution to the school are significant, not just in raising standards of teaching and learning in their own classroom, or with groups of children, but also in making a significant wider contribution to the school, which impacts on pupil progress and the effectiveness of staff and colleagues.

Sustained – usually have two consecutive successful appraisal reports in this school and have made good progress towards their objectives during this period. Have shown their expertise has grown over the relevant period and is consistently good to outstanding.

Where exceptional performance has been evidenced and the teacher has met or exceeded their objectives the governing body may consider enhanced pay progression, up to a maximum of two reference points.

Reviews will be deemed successful unless significant concerns about standards of performance, which may affect pay progression, have been raised and recorded with the teacher during the formal annual performance management/appraisal cycle and have not been sufficiently addressed by the conclusion of that process. If following a review the decision is made to withhold a pay point/enter capability procedure then this should be confirmed in writing.

1.8 Part-Time Teachers

Teachers employed on an ongoing basis at the school but who work less than a full working day or week are deemed to be part-time. After consultation where appropriate, the governing body will give them a written statement (see Appendix 3 for example) detailing their working time obligations and the mechanism used to determine their pay, subject to the provisions of the statutory pay and working time arrangements.

The salary and allowances, if any, of any person appointed as a part-time teacher must be determined in accordance with the pro-rata principle.

Part-time teachers' entitlement to PPA time will be a minimum of 10% of their timetabled teaching week.

1.9 Short Notice / Supply Teachers

Teachers who work on a day-to-day or other short notice basis have their pay determined in line with the statutory pay arrangements in the same way as other teachers.

Teachers paid on a daily basis will have their salary paid at their own rate i.e. $1/195 \times$ annual salary, which includes an element of holiday pay.

Teachers who work less than a full day will be hourly paid at their own rate i.e. $1/1265 \times$ annual salary, which includes an element of holiday pay.

Teachers should be paid for all the hours they are required to be on the school premises. Consideration should be given to their entitlement to PPA time.

A short notice teacher who is employed by the same authority throughout a period of 12 months beginning in August or September must not be paid more in respect of that period than he/she would have received had he/she been in regular employment throughout the period.

2.0 Instructors (Unqualified teachers)

The governing body, will, when determining on which point to place Instructors on the unqualified teachers' pay scale when they are appointed, take account of any relevant qualifications and experience.

Minimum value **£16,626** and Maximum value **£26,295**

Pay on appointment will have due regard to:

- Relevant Qualifications
- Relevant Experience

Please note that whilst there is no longer automatic portability from school to school with regards to pay point the Governing Body will honour portability from school to school with regard to pay point.

2.2 Existing unqualified teachers 1st September 2017

Unqualified Teachers pay range has minimum value **£16,626** and a maximum value **£26,295**.

The pay committee will use reference points set out below:

UQ1	£16,626
UQ2	£18,560
UQ3	£20,492
UQ4	£22,426
UQ5	£24,361
UQ6	£26,295

The above award will be based on successful performance management.

The pay committee will be advised by the Headteacher in making all such decisions will be able to justify its decisions. Teachers will need to demonstrate good progress towards performance management objectives and shown competence in all elements of Teachers' Standards with reference to the appraisal policy.

Where exceptional performance has been evidenced the governing body may consider enhanced pay progression, up to a maximum of two reference points.

2.3 Additional Allowance to Unqualified teachers

The governing body will consider additional payments in line with paragraph 22 STPCD as outlined below:

- Taken on sustained additional responsibility which is focused on teaching and learning and requires the exercise of a teacher's professional skills and judgment

Or

- Qualifications or experience which bring added value to the role being undertaken

2.4 Instructors Employed on Employment Based Routes into Teaching

Instructors employed on one of the employment based routes into teaching are deemed to be trainees on placements and will be paid at a level to be individually determined by the Governing Body taking into account the minimum salary set by the scheme.

2.5 Recognition of Qualified Teacher Status (QTS)

On obtaining QTS salary will be transferred from UQ to MPS range in line with paragraph 18 STPCD.

2.6 Qualified Teacher Learning and Skills (QTLS) status

From 1 April 2012, further education teachers who have been awarded QTLS by, and are members of, the Society for Education & Training (SET) will be recognised as qualified teachers in schools. This allows them to be appointed to permanent posts and they will be paid on the qualified teacher's pay scale (MPS). In order to continue to be recognised as a qualified school teacher, a QTLS holder must maintain their SET membership.

3.0 Pay progression

The governing body determine the annual pay budget taking account paragraph 19 (STPCD 2017).

It will agree to allocate 0.28% of the school budget to allow for the best teachers to make more rapid progress.

3.1 Headteacher

Annual pay progression within the range for this post is not automatic. The Headteacher must demonstrate sustained high quality of performance, with particular regard to leadership, management and pupil progress at the school and will be subject to a review of performance against performance objectives before any performance points will be awarded. The governing body will consider whether to award one or two pay progression points. The circumstances in which two points may be awarded are as follows and must not already be taken account of when determining the pay range:

For Guiseley School the circumstances in which two points may be awarded must be justified by the governing body's Headteacher's appraisal committee.

3.2 Deputies and Assistant Heads

Annual pay progression within the range for these posts is not automatic. Deputies and Assistant Heads must demonstrate sustained high quality of performance in respect of school leadership and management and pupil progress and will be subject to a review of performance against their performance objectives before any performance points will be awarded. The governing body will consider whether to award one or two pay progression points. The circumstances in which two points may be awarded are as follows:

For Guiseley School the circumstances in which two points may be awarded must be justified by the governing body's pay committee.

3.3 Leading Practitioners

Leading Practitioners must demonstrate sustained high quality of performance in the light of their agreed performance criteria and will be subject to a review of performance before any performance points will be awarded. Any work undertaken at other schools, in higher education facilities, at facilities of the LA and elsewhere will be taken into account.

Pay progression for Leading Practitioner posts are not automatic. The governing body will consider whether to award one or two pay progression points following their annual performance review but backdated to 1 September of that year. The circumstances in which two points may be awarded are as follows:

Guiseley School does not have any leading practitioner positions. Should a position be created, the circumstances in which two points may be awarded must be justified by the governing body's pay committee.

4.0 ALLOWANCES AND OTHER DISCRETIONARY PAYMENTS

4.1 Teaching and Learning Responsibility Payments (TLRs)

4.1.1 Teaching and Learning Responsibility (TLR) Value

The values of the TLRs to be awarded are set out below:

- TLR2s will be awarded to the following values:
 - £2,667 to the holder of posts designated on the Management Structure as TLR2a
 - £4,440 to the holder of posts designated on the Management Structure as TLR2b
 - £6,515 to the holder of posts designated on the Management Structure as TLR2c

- TLR1s will be awarded to the following value:
 - £9,472 to the holder of posts designated on the Management Structure as TLR1b
 - In Guiseley School's current staffing structure there are no posts at TLR1a; 1c or 1d. Should these be placed within the structure they would be awarded at the following values:
 - £7,699 to the holder of posts designated on the Management Structure as TLR1a
 - £11,280 to the holder of posts designated on the Management Structure as TLR1c
 - £13,027 to the holder of posts designated on the Management Structure as TLR1d

- TLR3s will be awarded to the following value:
 - £1,576 to the holder of posts designated on the Management Structure as TLR3(i)
 - £2,074 to the holder of posts designated on the Management Structure as TLR3(ii)

4.1.2 Criterion and Factors for Award of Teaching and Learning Responsibility Payments

Criterion

A Teaching and Learning Responsibility payment ("TLR") may be awarded to a classroom teacher in accordance with paragraph 20 STPCD and section 3 of the guidance.

TLR 1 or 2 will be for undertaking a sustained additional responsibility in the context of the school's staffing structure for the purpose of ensuring the continued delivery of high-quality teaching and learning for which s/he is made accountable. The award may be while the teacher remains in the same post or occupies another post in the temporary absence of the post-holder, for example, cover for secondments, maternity or sick leave or vacancies pending permanent appointment.

TLR3 may be awarded for school improvement projects or one off externally driven responsibilities for a discrete period of time. The governing body will set out in writing, at the outset, to the teacher the duration of the fixed term, and the amount to be paid in monthly instalments. TLR3 payments should not be used to replace or otherwise limit teachers' pay progression on the main, upper or leading practitioner pay ranges.

No safeguarding will apply in relation to TLR3s.

TLRs may only be awarded in the context of the school's staffing structure and pay policy. A TLR1 or 2 is a payment integral to a permanent post in the school's staffing structure and therefore may only be held by two or more people when job-sharing that post. TLR1 or 2 awarded to part-time teachers **must** be paid pro-rata at the same proportion as the teacher's part-time contract. (Paragraph 42 STPCD)

Factors

Before awarding a TLR, the relevant body must be satisfied that the teacher's duties include a significant responsibility that is not required of all classroom teachers, and that:

- a) is focused on teaching and learning;
- b) requires the exercise of a teacher's professional skills and judgement;
- c) requires the teacher to lead, manage and develop a subject or curriculum area; or to lead and manage pupil development across the curriculum;
- d) has an impact on the educational progress of pupils other than the teacher's assigned classes or groups of pupils; and
- e) involves leading, developing and enhancing the teaching practice of other staff.

Before awarding a TLR 1, the relevant body must be satisfied that the significant responsibility referred to in the previous paragraph includes in addition line management responsibility for a significant number of people.

Values

The values of TLRs must fall within the following ranges subject to pay awards:

- the annual value of a TLR1 is **£7,699 - £13,027**;
- the annual value of a TLR2 is **£2,667 - £6,515**.
- the annual value of a TLR3 is **£529 - £2,630** for a clearly defined period

Due regard must be taken of differentials between same band TLRs of different values in line with the responsibility of the post.

Details of TLRs to be awarded at the school will depend on the outcome of the review of the staffing structure and the timing of introduction will be in line with the implementation plan.

A teacher may not hold a TLR 1 and a TLR2 concurrently; however a teacher in receipt of either a TLR1 or 2 may also hold a concurrent TLR3.

If a teacher is given a new post or revised responsibilities, then the relevant body must determine whether a different TLR (or no TLR) applies to the post, and whether the teacher is entitled to any safeguarded sum if no TLR, or a lower one, applies to the new post/revised responsibilities.

Teachers should not be expected to undertake permanent additional TLR responsibilities without payment of a permanent TLR1 or TLR2 payment.

4.2 Special Educational Needs Allowances

With effect from 1 September 2010 the relevant body must award a SEN allowance of no less than **£2,106** and no more than **£4,158** per annum to a classroom teacher-

- (a) in any SEN post that requires a mandatory SEN qualification (since 1 September 2009 all SENCOs are required to hold the National Award for SEN Co-ordination unless they had been in post for at least 12 months prior to this date);
- (b) in a special school;
- (c) who teaches pupils in one or more designated special classes or units in a school or, in the case of an unattached teacher, in a local authority unit or service;
- (d) in any non-designated setting (including any PRU) that is analogous to a designated special class or unit, where the post-
 - (i) involves a substantial element of working directly with children with special educational needs;
 - (ii) requires the exercise of a teacher's professional skills and judgement in the teaching of children with special educational needs; and
 - (iii) has a greater level of involvement in the teaching of children with special educational needs than is the normal requirement of teachers throughout the school or unit within the school or, in the case of an unattached teacher, the unit of the service.

Where a SEN allowance is to be paid, the relevant body must determine the spot value of the allowance, taking into account the structure of the school's SEN provision and the following factors:

- (a) whether any mandatory qualifications are required for the post;
- (b) the qualifications or expertise of the teacher relevant to the post; and
- (c) the relative demands of the post.

There are currently no SEN allowances at Guiseley School.

4.3 Special Educational Needs Allowances and Teaching and Learning Responsibility Payments Combined

Special Educational Needs (SEN) allowances may be held at the same time as TLRs. However, relevant bodies should, when reviewing their staffing structures and keeping them under review:

- ensure that, in the light of remodelling and the move of administrative tasks from teachers to support staff, holders of discretionary SEN allowances are not carrying out tasks that would be more appropriately undertaken by support staff;
- consider whether, if teachers have responsibilities that meet the principles for the award of TLR payments it would not be more appropriate to award a TLR payment *instead of* a discretionary SEN allowance of a lower value;
- SEN payments made by the relevant body should not be used for the purposes of recruitment and retention. There are separate provisions available within the Document for these purposes;
- ensure that any responsibilities are clearly specified in individual teachers' job descriptions, and are clear in the school's published staffing structure.

5.0 OTHER PAYMENTS

5.1 The Governing Body may make such payments as they see fit (discussed and agreed in advance) to teachers (other than the Headteacher) in respect of (paragraph 26 STPCD):-

a) Continuing Professional Development

Continuing professional development undertaken outside of the school day.

b) Initial Teacher Training Activities

Activities that may attract payment include:

- supervising and observing teaching practice; giving feedback to students on their performance and acting as professional mentors; and formally assessing students' competences;
- planning an initial teacher training course.

Teachers who undertake initial teacher training activities which are not seen as part of the ordinary running of the school should be given separate contracts of employment to cover areas of work that are not part of their substantive teaching job or contract of employment. Areas of work that will attract a payment of a suitable National Joint Committee scale include:

- preparing course materials; undertaking the marketing, finance and administration of the course; and taking responsibility for the well-being and tuition of initial teacher training students.

c) Out-Of-School Learning Activities

Activities that may attract payment equivalent to short notice supply staff rates include:

- breakfast clubs, homework clubs; summer schools (study support, literacy and gifted and talented), sporting activities, other outdoor activities and clubs linked to curricular, arts and hobby interest areas.

5.2 Provision of Services by the Head Teacher

The relevant body has discretion to make payments to Head Teachers who provide an external service to one or more additional schools, and also to any of the school's teachers whose post acquires additional responsibility as a result of the Head's activities. Payments are not automatic and must take account of (Paragraphs 10.1 to 10.4 and 26 and paragraph 65 STPCD).

Areas of work that will attract a payment relate to support to other schools (in terms of Leadership and Management), undertaking consultant work for local authorities and undertaking inspection activities.

□

5.3 Recruitment and Retention Payments

The governing body will make such payments to a teacher as it considers necessary as an incentive for the recruitment of new teachers and the retention of existing teachers. These can be made as a lump sum, periodic payments or via other financial assistance as deemed appropriate.

The pay committee must be clear on the reasons for such payments, making it clear at the outset in writing the expected duration and the review date, after which they may be withdrawn.

The governing body will review the level of payment annually.

Awards made under this section may only be made for recruitment and retention purposes, not for carrying out specific responsibilities or to supplement pay for any other reasons as per paragraph 26. See summary of changes document for Headteacher, Deputy and assistant posts.

5.4 Honoraria

The governing body will not pay any honoraria to any member of the teaching staff for carrying out their professional duties as a teacher.

There is no provision within the School Teachers' Pay and Conditions Document for the payment of honoraria. Any such award to a teacher for their teaching work would be unlawful.

5.5 Review of Policy

The pay policy will be monitored and reviewed on an annual basis. An annual written report on the operation of the policy, recording pay decisions taken and equality impact, will be provided by the Headteacher to the Governing Body.

Discretionary leadership reference points

Where a head teacher is paid within the school's headteacher group range, she/he must not be paid above the top point of this range,

The STPCD sets out the limits on head teachers' pay for each of the eight school groups. These apply unless the governing body has exercised its discretion, in accordance with the STPCD, to exceed these limits.

See notes below for leadership group teachers who were at the maximum of their individual pay ranges in 2016/17 and whose pay point coincided with the maximum of the relevant school group range. Where this is the case, the maximum point of their individual pay range from September 2017, assuming no other adjustments are being made, will be as set out below.

Notes:

L18# - scale point to be used only by schools in Group 1 where it is the maximum value of the head teacher group range for the school

- scale point to be used only by schools in Groups 2 to 8 respectively where it is the maximum value of the head teacher group range for the school
